CoverXSpecialty Appoints TRS

Barrington, IL, August 01, 2014 – Transportation Risk Services (TRS), a leading insurance transportation MGA and wholesale broker, announced today the appointment with CoverXSpecialty.

Transportation Risk Services (TRS) is proud to announce their appointment with CoverXSpecialty – A member of the Crum & Forster Companies. “The CoverXSpecialty appointment continues to broaden the scope of our excess and umbrella solutions offered to the transportation sector. As a result, we continue to provide our retail partners another A Rated option for the Excess placements,” stated John P. Toth, Vice President, Marketing & Underwriting Manager.

Transportation Risk Services (www.trservices.com) is a leading transportation MGA and wholesale broker serving client’s countrywide. TRS specializes in the placement of local, intermediate, long-haul and public automobile risks for retail insurance agents and brokers through its program and broking facilities. Located in Barrington, IL, TRS offers a broad range of solutions that includes, but not limited to, Auto Liability, General Liability, Physical Damage, Cargo, Garage, Contractor’s Equipment, Warehouse Legal Liability, Umbrella, Workmen’s Compensation and Occupational Accident/Contingent Liability.
